

## AACP Camp Membership Application

The Association of Adventist Camp Professionals (AACP) is an organization directly affiliated with the North American Division of Seventh-day Adventists and was created to fulfill the mission:

***“To equip and support camp ministry professionals as they advance the kingdom of God”***

Having membership in AACP entitles year-round camp staff and board members to keep up to date with Adventist Camp Ministries in North America. Camp members may receive the monthly E-News and periodic updates, vote at regular and special sessions, attend the AACP conventions at discount rates, and be a part of the collective voice of the Seventh-day Adventist camp professionals.
